

L Number	Hits	Search Text	DB	Time stamp
-	94	electrode and active and conductive and current adj collector and activ\$4 adj carbon and (fiber\$1 or fiber\$1) and (carbon or acetylene or ketzen) adj black and (higher or lower or gradient or profile) with (concentration or surface)	USPAT; US-PGPUB	2003/09/16 11:37
-	9	electrode and active and conductive and current adj collector and activ\$4 adj carbon and (fiber\$1 or fiber\$1) and (meso\$1phase or meso adj phase) and (carbon or acetylene or ketzen) adj black and (higher or lower or gradient or profile) with (concentration or surface)	USPAT; US-PGPUB	2003/09/16 11:37
-	27	electrode and electric\$2 adj (double adj-layer or double\$1layer) adj capacitor and active and conductive and current adj collector and activ\$4 adj carbon and (carbon or acetylene or ketzen) adj black and (higher or lower or gradient or profile) with (concentration or surface)	USPAT; US-PGPUB	2003/09/16 11:39
-	5	electrode and electric\$2 adj (double adj layer or double\$1layer) adj capacitor and active and conductive and current adj collector and activ\$4 adj carbon and (carbon or acetylene or ketzen) adj black and (higher or lower or gradient or profile) with (concentration or surface) and (meso\$1phase or meso adj phase) and (fibre or fiber)	USPAT; US-PGPUB	2003/09/16 11:39
-	12	electrode and electric\$2 adj (double adj layer or double\$1layer) adj capacitor and active and conductive and (gradient or density) and collector and activated adj carbon and (meso\$1phase or meso adj phase)	USPAT; US-PGPUB	2003/09/16 11:39
-	23	electrode and electric\$2 adj (double adj layer or double\$1layer) adj capacitor and meso\$2phase and (fibre or fiber)	USPAT; US-PGPUB	2003/09/16 11:41
-	13	electrode and electric\$2 adj (double adj layer or double\$1layer) adj capacitor and meso\$2phase and (fibre or fiber)	EPO; JPO; DERWENT	2003/09/16 11:41
-	28	electrode and electric\$2 adj (double adj layer or double\$1layer) adj capacitor and active and conductive and activ\$4 adj carbon and (gradient or density or profile or surface or concentration)	EPO; JPO; DERWENT	2003/09/16 11:42
-	9	electrode and electric\$2 adj (double adj layer or double\$1layer) adj capacitor and activ\$4 adj carbon and (gradient or density or profile or surface or concentration) and (meso\$1phase or meso adj phase)	EPO; JPO; DERWENT	2003/09/16 11:42
-	3	(gradient or graded) with (concentration or density) same collector same (carbon or active) and electrode	EPO; JPO; DERWENT	2003/09/16 11:42
